Twin Gusher stock is selling last, for investors have LEARNED that to make BIG money in Oll. a company must have ACREAGE. Twin Gusher owns THOUSANDS of acres of Oll LAND. Their first drilling site is in the Northwest Burkburnett field—surrounded by HUNDREDS of GUSHERS.

DREDS of GUSHERS.
One of our neighbors sold out recently for \$3,333.33 a share—they had ACREAGE. And, by the way, Burk-Waggoner, the company we reier to, had to BEG the people to BUY their stock at PAR—they were still offering shares for public subscription only a week or so before the well came in.
Twin Gusher's prospects are BRIGHTER than Burk-Waggoner's were—are you going to BUY NOW at \$1.50, or wait until our well comes in and then IRY to buy for maybe \$3,333.33 a share?

HUECO BASIN

"THE BEST BUY OF ALL"

This company was organized to develop the Hueco Basin because that Basin has all the earmarks of the making of a huge oil field. The company exists today for the reason that enough local men were of the opinion that the city of El Paso could not afford to pass by such a tremendous opportunity for growth, expansion and wealth; further investigation by both the geologist and practical oil men gives us double assurance that we are to find oil in large quantity. We are now ready to hit the nail on the head; drilling contract is let and material being shipped; our first well should be spudded in by the middle of July. Success will bring large sums of money to every stockholder, even to thousands of dollars to those holding but few

Do you want to watch that drill during the next three months that it will probably take it to get down to the sands? There are two ways to do that watching-one to have an interest in this company and on the day that word comes out that oil is struck to know that you are richer by thousands of dollars; the other, to sit on the fence with indifference and later to think of what might have been. We want you with us, but if you are going to get in you had better do it now, as there are a lot of others that may beat you to it. There is little stock left. Right reserved to return any subscription.

Letter From Hon. Tom Testerman, Oklahoma Senator and Head of the TEXAS COLONEL OIL COMPANY.

SENATE CHAMBER STATE OF OKLAHOMA JUNE 12TH, 1919

J. E. LANE, MGR.,

1111/2 NO. OREGON ST., EL PASO, TEXAS.

SOUTH WEST INVESTMENT CO.,

DEAR SIR:

ACCORDING TO GEOLOGICAL STRUCTURE WE EX-PECT TO BRING IN THE BIGGEST WELL, IN THE NORTH-WEST FIELD OF BURKBURNETT. IT IS MY SINCERE AD VICE TO BUY NOW AT THE PREVAILING MARKET.

OUR ACREAGE IS UNDOUBTEDLY WORTH MORE THAN THE ENTIRE CAPITAL STOCK.

IT IS MY OBJECT TO DEVELOP A PRODUCING COM-PANY IN WHICH THE SHAREHOLDERS WILL GET LIB-ERAL DIVIDENDS.

EQUAL PROFIT IN A FAMILY BROTHERHOOD IS THE AIM UNDER MY MANAGEMENT.

YOU SHAREHOLDERS ARE THE COMPANY. YOUR IN-TEREST IS GUARDED BY THE TRUSTEES OF THE TEXAS COLONEL OIL COMPANY. WE WANT YOU TO FEEL THAT YOU ARE ENTITLED TO ALL INFORMATION WITH RE-GARD TO THE DEVELOPMENT OF THE COMPANY'S HOLDINGS AT ANY TIME.

> RESPECTFULLY, TOM TESTERMAN.

Owns fifteen acres within seventeen hundred yards of the Texas Chief-the biggest well in the Northwest Burkburnett gusher pool. Holdings of Double F, Burk-Senator and Burk Pet are on adjoining property-all companies sold out and oversubscribed.

This Fifteen-Acre Tract Is Worth More Today Than the Company's Entire Capitalization

TEXAS COLONEL is capitalized for only \$100,-000-the par value of the share is \$1.

TEXAS COLONEL is having a sensational sale. It would actually be a waste of money to run a big advertisement to sell the remaining shares of this wonderful stock. You can wire your orders at our expense and we will fill them if we possibly can, but we can only accept orders subject to TEXAS COLONEL being overseld or withdrawn before your order reaches us.
